

Sammy's Games

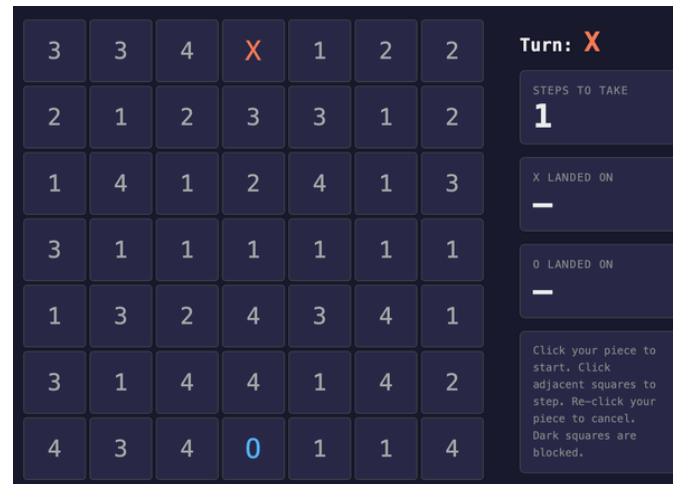

Sammy Santos

CMSI 4072 Spring 2026

Description:

Sammy's Games is a collection of original games playable directly in any browser with no install, no login, and no server required. Every game enforces its own rules programmatically and provides immediate visual feedback to the player.

Step Count is a 1v1 board game where you try to trap your opponent first

Five/Six Hands is an optimization game based on the poker hands
